About myGBed

GB's online learning management system gives you direct access to online learning at any time, providing your business with a flexible and easy way to educate your employees.

You will be able to manage your enrolment for more than 100+ complimentary courses we provide every year. The system also allows you to view and print any course certificates you have obtained, giving you an easy way to track your progress.

Best of all, myGBed gives you access to interactive online versions of our most popular training modules so you can educate yourself and your staff from the convenience of your own office.

Our online modules include valuable claims and injury management training such as RTW Responsibilities for Managers and Supervisors and Hazard Identifications.

The system is complimentary for GB clients.
